Ascent Label Anything

Create & Print Barcode Labels From Any Salesforce Object

Ascent Label Anything is a 100% native Salesforce application for creating any size label or tag, with any barcode symbology, from any standard object or custom object, including managed packages.

Label & Print Made Easy

Create barcode labels or tags from any standard, custom or managed package Salesforce object.

Leverage Templates & Triggers

Create and save barcode templates in Salesforce plus trigger actions via Flow Builder Invocables.
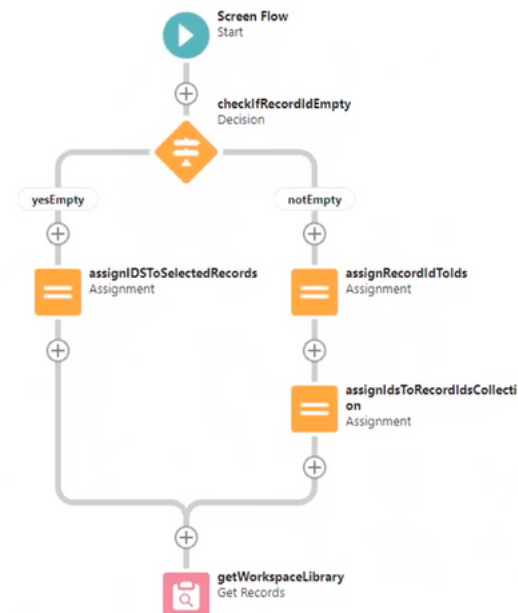

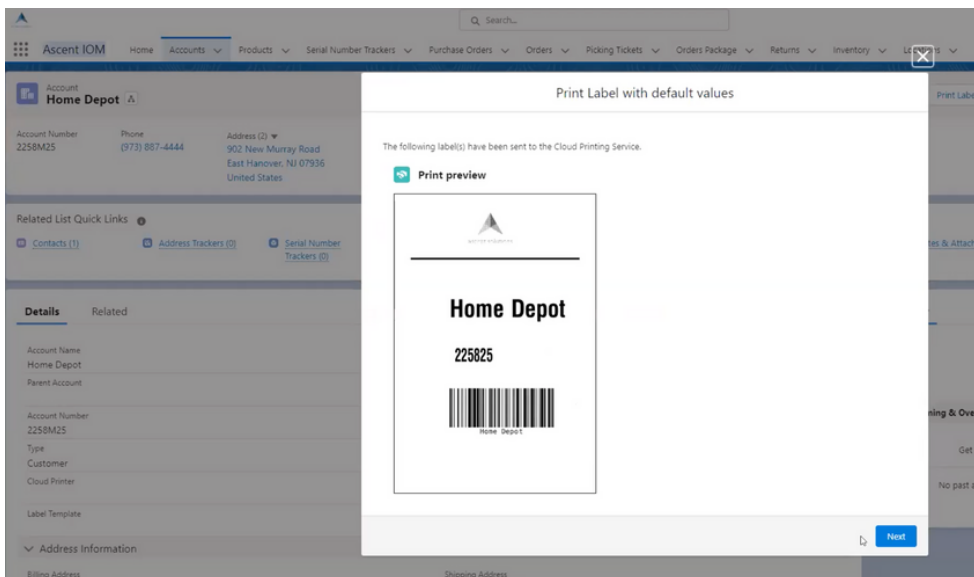

Utilize Leading Technology

Build labels with ZebraDesigner™ and add templates to Salesforce to print directly from the platform.

Flexible Symbology

Create any size label with barcode symbology 3 of 9, 128, UPC, EAN, PDF, Datamatrix, and QR codes.

Labeling and Printing on Salesforce Just Got Easier
